Bootstrap Panel

Create a report for an automatic process to be submitted to the department manager. The report should contain the following information as depicted in the image below

Concepts Coverage :- Bootstrap Alerts, Panel, List Group, Helper classes

Automatic tasks report

Execution summary of tasks▾	

Execution Log Information

Total tasks run	12
Successful tasks	4
Warnings	3
Failed tasks	5

End of execution log information

Notes:-

1. Create the report layout as shown in the figure

2. Create div for container, panel default, panel heading and panel body. There must be a caret symbol at the end of the text "Execution summary of tasks"

3. Create an un-ordered list with a list group class

4. Create list items with helper classes for success, warning and danger with appropriate span class badge

5. Create a panel footer in a div tag at the end of the report
