TRAVEL RESERVATION FORM

Create a travel reservation form as indicated in the snapshot below:

The specifications that needs to be adhered to are:

1. Heading of type <h1> should be present with value "Travel Reservation Form".

2. Heading of type <h3> should be present with the value "*" denotes mandatory.

S.NO	Element Name	Constraints
1	passengername	It should be an input field with the type as 'text' and the default value (placeholder) should be "Name" .
2	mobile	Is a mandatory input field. The default value (placeholder) should be "*Mobile Number" . Do not use text field or number field instead use HTML5 feature 'tel' field type.
3	mailId	It is a mandatory input field. The default text (placeholder) is "*Email ID". Use the input field type as HTML5 Feature 'email'.
4	travelmonth	This should be a 'select' field which should contains a list of dates in the format "MonYYYY" i.e: Aug2018. "Month of Travel" should be the default value. Provide 9 values excluding the default value.
5	package	It is a mandatory 'select' field. "*Origin" should be displayed by default.
6	destination	It should be an input field with type as 'text' and the text "Destination" should be displayed by default (placeholder).
7	submit	It should be an input field for the submit button. Set the type of the field as 'submit' and the value as "Get A Call".
8	clear	It should be an input field for the reset/clear button. Set the type of the field as 'reset' and the value as "Clear".

The options for the 'select' component with the name "package" is as follows: **GOA,MUMBAI,KERALA,TAMILNADU,KOLKATA.**

Use the same values while coding.

SAMPLE FORM

```html
1   <!DOCTYPE html >
2 ▾ <html>
3 ▾     <head>
4           <title>TRAVEL RESERVATION FORM</title>
5       </head>
6 ▾     <body>
7 ▾         <table align="center">
8               <tr><td><h1><center>TRAVEL RESERVATION FORM</center></h1></td></tr>
9               <tr><td><h3><center>* denotes mandatory</center></h3></td></tr>
10 ▾          <tr>
11 ▾              <td><input type="text" name="passengername" value="" placeholder="Name">
12                   <input type="tel" name="mobile" placeholder="*Mobile Number" required="required"></td>
13               </tr>
14 ▾          <tr>
15 ▾              <td>
16                   <input type="email" name="mailId" placeholder="*Email ID" required>
17 ▾                  <select name="travelmonth">
18                       <option>Month of Travel</option>
19                       <option>Aug2018</option>
20                       <option>Sep2018</option>
21                       <option>Oct2018</option>
22                       <option>Nov2018</option>
23                       <option>Dec2018</option>
24                       <option>Jan2018</option>
25                       <option>Feb2018</option>
26                       <option>Mar2018</option>
27                       <option>Apr2018</option>
28                   </select>
29               </td>
30           </tr>
31 ▾          <tr>
32 ▾              <td>
33 ▾                  <select name="package" required="required">
34                       <option value="" disabled selected>*Origin</option>
35                       <option value="goa">GOA</option>
36                       <option value="mumbai">MUMBAI</option>
37                       <option value="kerala">KERALA</option>
38                       <option value="tamilnadu">TAMILNADU</option>
39                       <option value="kolkata">KOLKATA</option>
40                   </select>    
41                   <input type="text" name="destination" placeholder="Destination">
42               </td>
43           </tr>
44 ▾          <tr>
45 ▾              <td><input type="submit" name="submit" value="Get A Call">       
46                   <input type="reset" name="clear" value="Clear"></td>
47           </tr>
48       </table>
49   </body>
